

P. N. Corsets Improve the Figure!

SOME OF THEIR GOOD FEATURES.

The extra side-pieces makes the breaking down of the Corsets impossible. These side-pieces can be removed from the pockets wherein they are set and reversed from time to time, insuring permanent shape lines to the Corset and adding to its life of service.

If a lady wishes ease in reclining the side-pieces may be removed and replaced at her pleasure.

The cork steel protector used in all P. N. Corsets will keep the front steel from breaking and rusting.

We recommend that you try P. N. Corsets. Prices 50c, \$1.00, \$1.25 and \$1.50.

Open Stock Dinnerware Patterns!

Before the advent of the "open stock" idea in Dinnerware one had to buy Dinner Sets of fixed compositions as made up by the manufacturers.

When you broke a piece it took months to obtain one to match it.

From an open stock pattern you can now build up a set from a small initial purchase, or you can buy a complete set and we can replace any breakage instantly, because we carry the patterns in bulk.

A new STOCK PATTERN in GERMAN CHINA is recently added. See our window.

Coughs are a result, not a disease. They are the result of inflammation, caused by a cold, invading the delicate capillary air tubes in the lungs. All the narcotics in the world will not change the condition. They simply deaden the senses and afford temporary relief from the cough while the real trouble—the inflammation—may go deeper and deeper and become more dangerous.

Kendrick's Northern Pine Cough Balsam

allays this inflammation and quickly corrects the condition in the lungs and bronchial tubes that causes the cough. Don't waste your time with narcotic cough mixtures; take the remedy that acts directly on the seat of trouble. We warrant it. Price 25c.
